

## Leander Youth Baseball Club at Dr. John's Sports Center Spring 2010: March 22 – May 22, 2010

### INFORMATION SHEET

Leander Youth Baseball Club is open to all area youth looking for a beginning experience in the game of baseball. Dr. John's Sports Center offers a T-ball and Coach Pitch program for children ages 4 – 8 years old. Our goal is to provide an instructional program for children to develop attitudes of teamwork and sportsmanship, provide a wholesome family and friendship oriented recreation program with an emphasis on teaching proper skills and techniques of baseball. But most important is to make sure everyone has FUN.

T-BALL is a baseball game modified to teach children the fundamentals of batting, running, and fielding. The ball is hit off of a batting tee to start play. Players run and field as in a real game with simplified rules.

**T-BALL PARTICIPANTS:** Are boys and girls ages 4 - 6. If your child does not fit into this age category, but you feel as a parent this is where they need to start to develop the skills for baseball, please give us a call. We will work with you to find the best program fit for your child. Teams consist of no less than 8 players and no more than 10 players. Buddy requests will be honored as best as we can. No buddy requests honored after March 8, 2010.

**T-BALL COACHES:** We carefully select our volunteer coaches through an interview process as well as performing a background check. All coaches go through our internal orientation process in order to understand our philosophy of sport development. Each coach is provided with a written curriculum and lesson plan to help them during practices and games.
